I want to serve on the following committees in 2009:

Legislative Membership Tasting Planning Policy & Planning

Dues (Minimum is \$225)

Dues are based on \$.045 cents per case sold during the winery's last fiscal year with a **minimum of \$225** (5,000 cases and below is the minimum). FWC encourages a Matching Contribution to support the continuing effort on direct shipping reform. The contribution and level are voluntary, but we suggest \$25. Additionally, FWC's political action committee (FWCPAC) helps wine friendly candidates with separately raised funds. Contributions are voluntary, but FWC suggests either \$50, or \$100. For convenience we've factored them in below. You may pay only the dues amount if you wish.

Number of cases sold	# _____
Dues (multiply by \$.045)	\$ _____
Direct ship match	\$ <input type="checkbox"/> 25 _____
FWCPAC	\$ <input type="checkbox"/> 50 <input type="checkbox"/> 100 _____
Total	\$ _____

Please note that for 2010, the Internal Revenue Service considers 25% of your dues non-deductible as a business expense.

Please return this form with the annual dues to: **Family Winemakers of California, 520 Capitol Mall, Suite 260, Sacramento, California 95814**

Renewing online is fast and easy and you can pay dues by credit card (a \$10 convenience charge applies)
